

## **P.A.L.S. School Year 2011-2012 Social Skills Programs**

Jessica Campbell, Board Certified Behavior Analyst, implements applied behavior analysis during all sessions. These groups are designed for individuals with Asperger's Syndrome or High-Functioning Autism. All programs are currently running and continue meeting weekly until June 8<sup>th</sup>, at which time a summer schedule will be offered.

### **WEEKLY SOCIAL SKILLS PROGRAMS**

|                       |            |             |               |
|-----------------------|------------|-------------|---------------|
| 7, 8 & 9 years old    | Mondays    | 4:30-6:30pm | \$60 per week |
| 13-17 years old       | Tuesdays   | 4:00-6:00pm | \$60 per week |
| 4, 5 & 6 years old    | Wednesdays | 4:00-5:00pm | \$30 per week |
| 10, 11 & 12 years old | Thursdays  | 4:30-6:30pm | \$60 per week |
| Ages 18 years old +   | Fridays    | 1:00-3:00pm | \$60 per week |

**PLEASE NOTE:** P.A.L.S. accepts funding from the Desert Regional Center and ATAP for all social skills programs. Potential clients are required to participate in a trial session to determine placement in all programs (which may be based on the candidates' skills versus actual age). P.A.L.S. also offers one-on-one ABA intervention, parent training, typical sibling support groups, and school/IEP support.
